APPLICATION FORM FOR FACULTY OF ADVOCATES FREE LEGAL SERVICES UNIT

All applications for free legal help from the faculty of advocates should be made on this form. We will review all applications: assistance in some employment tribunal cases will be provided by trainee advocates (devils), in other cases which we take, we will aim to secure assistance from a practising advocate. Legal assistance can take the form of advice, a written opinion, help with mediation or representation at a court or tribunal.

- We can only assist those who cannot reasonably afford the legal help which they need, and who cannot obtain that help from other sources, such as legal aid, insurance or their trade union. Please see the note overleaf on the issue of legal aid.
- Applications are assessed for alternative sources of funding and on the merits of the case.
- Please read the unit's information leaflet carefully before completing both this form and the financial information form.
- Please complete all sections and sign both forms. Failure to do so may delay consideration of your application.
- Please ensure that a copy of the completed application form and financial information form are retained for your records.
- Please send the following (in hard copy or electronically) to the unit:

- (1) *this application form;*
- (2) *the case summary form;*
- (3) *copies of supporting documents (do not send originals as documents cannot be returned)*

! Have you completed the case summary on the following sheet, signed and dated the statement and attached any relevant supporting evidence?

CASE SUMMARY (continue on a separate sheet if necessary)

Please give us a summary of your case. This is an important section. Please note the following points:

- You should set out the facts of your case, so that we can understand what it is about.
- The easiest way to do this is often to go through in date order explaining briefly what has happened at each stage
- It is not enough just to say 'see the attached documents'. You should tell us about what happened, any financial loss or injury, or anything you are entitled to that you have not received.
- You should give details of any court or tribunal hearings which have already happened.
- If you want advice or representation in connection with an appeal, you **MUST** include a copy of the judgement appealed from
- If you are seeking advice (including advice with representation) you should set out exactly what help you think you need
